

Congressen, studiedagen en beurzen

april 2016	Hannover Messe
november 2015	European Wind Energy Conference and Exhibition, Paris
juni 2015	Wind resource assessment workshop, EWEA, Helsinki
maart 2015	Offshore 2015, EWEA, Copenhagen
december 2015	EWEA Technology workshop wind turbine noise, Malmö
september 2014	ISEC training werken op hoogte
maart 2014	European Wind Energy Conference and Exhibition, Barcelona
januari 2014	Wind Farm Design, GL Garrad Hassan, Bristol
november 2013	European Wind Energy Conference and Exhibition Offshore, Frankfurt
juni 2013	Wind resource assessment workshop, EWEA, Dublin
februari 2013	European Wind Energy Conference and Exhibition, Vienna
september 2012	Noise and hearing loss, Hasselt
maart 2012	Polish Wind Energy Conference, Warsaw
april 2012	European Wind Energy Conference and Exhibition, Copenhagen
maart 2011	European Wind Energy Conference and Exhibition, Brussels
april 2010	European Wind Energy Conference and Exhibition, Warsaw
november 2009	Wind Farm Electrical Systems, Garrad Hassan, Bristol
maart 2009	European Wind Energy Conference and Exhibition, Marseille
februari 2009	Windpro Training Course, EMD, Leuven
april 2008	European Wind Energy Conference and Exhibition, Brussels
mei 2007	European Wind Energy Conference and Exhibition, Milan
maart 2006	European Wind Energy Conference and Exhibition, Athens
februari 2005	Project certification of wind farms, Hamburg
november 2004	European Wind Energy Conference and Exhibition, London
oktober 2004	Seminar on wind energy for harbour applications in South East Asia, Phnom Penh
april 2003	OWEMES, Napels European Seminar in "Offshore Wind Energy in Mediterranean and other European Seas"
maart 2002	2002 Global Windpower Conference and Exhibition, Paris
december 2001	Offshore Wind Energy Special Topic Conference, Brussel
juli 2001	European Wind Energy Conference and Exhibition, Copenhagen
november 1999	OWEN (Offshore Wind Energy Network) RAL, Oxfordshire Workshop at Rutherford Appleton Laboratory, Didcot, Oxfordshire, concerning Offshore Wind Resource Assessment.
maart 1999	European Wind Energy Conference and Exhibition, Nice
september 1997	Hydroenergia '97, ESHA, Dublin Conference of the European Small Hydropower Association. Topics: economic and politics on hydro power, technology and engineering, environmental impact, European programs and cooperations, financing...

juni 1997	Exploitation de microcentrales hydroelectrique, EREMA, Grenoble One week course concerning all aspects of hydro power plants, both electromechanical as juridical and financial.
april 1997	New approaches & innovative technologies on small hydro power, IT Power, Institute of Mechanical Engineers, London. Conference on new technical approaches in small hydro power
december 1996	De kracht van Water, KUL – Leuven Chairman of a study day dealing with the application of renewable energy in Flanders, in collaboration with Dialoog.
november – december 1996	International conference on small hydropower, University of Roorkee, India International education on small hydropower in the most famous engineering university of India.

Certificaten

maart 2012	BA4/BA5 Safe working on electrical low & medium voltage installations, BTV Academy, Ghent, Belgium
september 2010	Training Working on Heights, Ascent, Hilversum
november 2009	Wind Farm Electrical Systems, Garrad Hassan, Bristol
april 2009	Training Working on Heights, H&D, Roeselare
november 2008	Personal Survival Techniques, VDAB T&O Zeebrugge, Maritieme opleiding
oktober 2008	Training Working on Heights, Ascent, Hilversum
mei 2007	Training Working on Heights, Ascent, Hilversum
maart 2007	VCA-VOL Veiligheid voor operationeel leidinggevend, Nationaal Actiecomité voor Veiligheid en Hygiëne, Bouwbedrijf, Brussel
maart 2006	Meteodyn CFD Software, Meteodyn Le Mans
november 2002	WasP Wind Atlas Analysis and Application, Roskilde, Denmark
